Reiki

Reiki is a Japanese healing technique that attunes the energy flow within the body and allows for one's own natural healing processes to occur. This is a subtle light-touch modality, not a traditional massage. 50 minutes \$130

Cranial Sacral

Very subtle work (rather than traditional massage) focusing on increasing the flow of cerebrospinal fluid through the head and spine. Beneficial to people who suffer from headaches, chronic neck pain, chronic fatigue and problems related to stress and tension.

50 minutes \$130

Chakra Balancing

According to Tantric tradition, everyone has seven energy centers that serve as junction points between the body and spirit. These spinning vortices, called chakras in Sanskrit, receive and express our vital life energy. When the chakras become blocked, we may develop physical and mental illnesses. By removing such blockages this enables the body, mind and spirit to function optimally.
